City No. 2012-Conc
Concrete Season Supply 2012

ISSUED: March 13, 2012

BIDS OPENED AT: 11:00 A.M. on March 28, 2012

YOUR BID MUST ACKNOWLEDGE RECEIPT OF THIS ADDENDUM.

The following additions, corrections, or modifications are hereby made a part of the Contract Documents for the above referenced project. The Proposal & Plan shall be revised as follows:

PROPOSAL

1. Revise S-2 *DELIVERY*:

Replace complete section with the following:

The material furnished under this Contract shall be delivered to any point within the City Limits of the City of Rochester, Minnesota, at such times and in such quantities as may be required of Freight on Board (F.O.B.) Destination.

The City will notify the supplier twenty-four (24) hours in advance, except for emergencies, when and where such materials shall be delivered. Materials shall be available during normal construction season whenever needed.

The Contractor shall furnish to the City either the original or duplicate of a numbered weight ticket. A separate ticket shall accompany each load and shall be given to the City employee at destination of delivery. The weight ticket or invoice shall show the Vendor, Vendor's address, purchaser, date, destination, City of Contractor's truck number, gross weight, tare, net weight, and/or number of tons and type of material.

The Contractor is hereby notified that the load size can and does vary. Typical batch deliveries historically have averaged around 3 cubic yards or less.

No extra payment shall be made for small load delivery, it shall be considered incidental to the contract.
